

ADOPT • A • ROOM

The Ronald McDonald House Charities of North Central Florida's Adopt-a-Room program is an opportunity for you or your organization to support one of our 31 guest rooms or any of the other rooms that make our House a home. By adopting a room you will help provide families with emotional and physical comfort and support during their child's medical crisis.

When you Adopt-A-Room, you provide families with:

- Lodging accommodations including a room with 2 double-size beds, full bathroom and storage for clothing
- Transportation to and from the medical facility handling their care
- Access to laundry services, televisions and play areas
- Access to food and beverages - including a stocked kitchen for families to prepare and enjoy a family meal when time permits
- Access to email and internet to keep families close to their loved ones
